Minister From India Coming Monday Night

REV. JOHN MCKAY

Rev. John McKay, an outstanding missionary, will be at the Church of the Nazarene, in Hamlin, Monday night, March 19. Rev. McKay, on furlough from India, will spend a series of days on the Abilene District, March 11 to April 1. He first sailed for India in 1927 and was stationed at Khairi, India. He spent about six years on the field and was furloughed home for one year, returning in 1934.

Bro. McKay remained on the field until 1942 when he was advised to return to America because of the war conditions. Since then he has been doing deputation work for the Department of Foreign Missions. At the recent meeting of the Department, he was reappointed and is scheduled to return to India sometime this summer.

You will want to hear the impassioned messages of this missionary leader as he speaks here, Monday evening, March 19, in the interest of missions.

Another Scrap Paper Collection March 22

The members of the Beta Sigma Phi Sorority will make a collection of scrap paper on Thursday, March 22nd, beginning at 4:00 o'clock in the afternoon. Newspapers, magazines, and flattened cardboard should be tied in separate bundles and placed on the porch or sidewalk where it can be easily seen.

The paper is being stored in the City Barn just east of the old city hall, and those bringing their paper may leave it by the door of the building and city officials will place it in the building each evening, as the building is kept locked.

Everyone cooperating in this drive is contributing greatly in the WAR EFFORT.

All merchants wishing to have bundles picked up at their store, please call or get in touch with Mrs. Arlene Morgan, at phone 295.

United National Clothing Collection Sponsored By Hamlin Lions Club

The United National Clothing Collection, a united effort on the part of UNRRA (United National Relief and Rehabilitation Administration) and various voluntary war relief agencies of the United States, will be sponsored in Hamlin by the Hamlin Lions Club. The drive is scheduled for the month of April.

The purpose of the collection of used clothing is to furnish to the peoples in war devastated areas, items of clothing of every description to help to keep them clothed and warm.

The type of clothing needed is good substantial clothing, for winter and summer wear. Although clothing need not be in perfect repair, it must be useful to the people who will receive it. Underclothing and all types of cotton garments should be washed before donated, but need not be ironed. (Evening dresses and tuxedos cannot be used.)

Most urgently needed are the following: infants' garments, all types, particularly knit goods; men's and boys' garments: overcoats, topcoats, suits, coats, jackets, underwear, pajamas, knit gloves, and all types of work clothes; women's and girls': overcoats, jackets, sweaters, shawls, dresses, underwear, aprons, robes, and knitted gloves; BEDDING: blankets, afghans, sheets, pillow cases, and quilts; SHOES, either oxfords or high shoes, of durable type with low or medium heels are desired. All shoes should be mated and tied securely into pairs.

Receptacles or containers will be placed in several convenient locations in town easily accessible and for your convenience. Regular collections from the various receptacles will be made by committees, delivering the clothing to a central place where it will be assembled and packed for shipment.

Almost all of us have some items of clothing we have discarded for some reason, that we will never use. Let's give them to the people who are badly in need.

"Inasmuch as you have done it unto one of the least of these, you have done it unto me."

Silver Star Awarded Hamlin Boy in France

The Herald has a short official note from the Seventh Army in France, telling that Technical Sergeant William R. E. L. Burgess, of Hamlin, Texas, has been awarded the Silver Star for gallantry in action while fighting with the Third Infantry Division in Italy. His mother, Mrs. Lena Floyd, and his grandmother, Mrs. Leola Lowder, reside in Hamlin.

(NOTE: This young soldier was here a short time ago on a 30-day leave on special duty from his army post. He is the fellow who had so many decorations, the one who was so anxious to get back and help his buddies cross the Rhine into Germany.)

Large Crowd Attended Junior Class Play

A large and responsive audience attended the presentation of "My Herat's In High," a three act comedy staged by the junior class at the Hamlin High School auditorium last Friday night.

Others working on the production were Mildred Phipps, Ida Frances Robertson, Lula Bess Jones, Mary Beth Bowman, and Marvane White.

Between act entertainment was provided by Joyce Grimm and Roy Callan Houghton, pupils of Mrs. Heflin Miller, teacher of fine arts, and by a group of high school boys who sang two numbers.

Silver Star Awarded Posthumously To S-Sgt. Lewis D. Huddleston

This week, L. M. Huddleston, farmer of the Hitson community, was informed that his son, the late Staff Sergeant Lewis D. Huddleston, who was killed on the battle front in the invasion of France, had been awarded the Silver Star, posthumously. Sgt. Huddleston was one of the finest types of strong, young manhood to fall in defense of his country. Below is the communication received.

"Dear Mr. Huddleston:

"I have the honor to inform you that, by direction of the President, the Silver Star has been posthumously awarded to your son, Staff Sergeant Lewis D. Huddleston, Infantry. The citation is as follows:

SILVER STAR

"For gallantry in action on 13 June 1944 near ***, **, when his platoon was attacking a strong enemy position and his company was held up by intense enemy fire, Sergeant Huddleston placed himself at the head of the squad and courageously led it on an assault on the enemy position. He repeatedly exposed himself to enemy fire, maintained control of his men and inspired them to assault the enemy and take the position. His disregard during the action for his own safety, an example set on the field of battle, was in keeping with the highest traditions of the military service."

"The decoration will be forwarded to the Commanding General, Eighth Service Command, Dallas, Texas, who will select an officer to make the presentation. The officer selected will communicate with you concerning your wishes in the matter.

"May I again express my deepest sympathy to you in your bereavement.

"Sincerely yours,
"J. A. ULIO, Major General
"The Adjutant General"

Remember the date and place. Sunday, 3:00 P. M., at the High School auditorium.

Final Rites Held For Veteran Army Man

A short time ago we had a brief mention of the death and burial of Master Sergeant Lyndon G. McClaran, who died in service Feb. 27, 1945 at Kingman, Arizona, after a long and varied life as a soldier. He was 46 years of age, and had served in the Army 26 years.

At an early age, he joined the Texas National Guard, and then went into the Mexican Invasion in the Regular Army. Following this, he saw service in France during World War I. He won the Croix de Guerre, a French decoration for 72 days of fighting in the Argonne Forest. After this war, he transferred to the Air Force, and at the time of his death, he was an instructor in the 328th ATTC, at Kingman, Arizona.

Lyndon was a native of Jones County, and grew to manhood here. He is survived by his wife and stepson, of San Antonio; one brother, Jerry McClaran of Houston; and seven sisters, Mrs. Dean C. Douglas, Mrs. Juanita Myers, Miss Vada McClaran, all of Dallas; Mrs. B. V. Baker, of Beverly Hills, Calif.; Mrs. W. R. Wilkerson, Mrs. A. F. Dixon, and Mrs. Carl Greenway, of Hamlin.

The body was buried in the New National Cemetery in San Antonio, Monday, March 5.

SGT. C. F. BUTCHER RECEIVES HONORABLE DISCHARGE

Sgt. C. F. Butcher, a Marine, arrived in Hamlin Tuesday from Cherry Point, N. C., with his final discharge from the service, after a period of 27 months, 18 of which were spent in the Pacific area of the war. Sgt. Butcher will resume his old job with the Shell Pipeline Company, after a few days of readjustment to civilian life. He has a wife and one daughter, Elizabeth, a junior in high school, who made their home here while Sgt. Butcher was in service.

Mrs. Butcher, active in Red Cross work, is serving as local chairman of the Red Cross War Fund drive now being conducted in Jones County.

COLORED SCHOOL ASSISTS IN RED CROSS DRIVE

Thursday morning our good neighbor, W. N. Temple, came in early with that familiar, generous smile on his face, saying, "Well, I'd better renew the subscription to my paper, as this is another birthday"...87 years, and out and going as usual. He comes to town almost every day, and his chief hobby is his yard and his garden. Congratulations, Brother Temple.

COLORED SCHOOL ASSISTS IN RED CROSS DRIVE

Mrs. Nelson, teacher of the Hamlin colored school, announces a Spelling Match and Arithmetic Contest will be held Friday night at the colored school, and the proceeds will be given to the American Red Cross War Fund.

Hub Hyatt Killed In Germany March 1

Information reached Hamlin Wednesday that Hub Hyatt, a former business man in Hamlin, was killed in the fighting with the First Army in Germany, March 1.

Hub Hyatt has many friends in Hamlin territory who will remember him as a very fine young man and will be saddened by his death.

According to reliable reports, Hub had been wounded in action soon after getting into the European fight and was later promoted from a high Sergeant rank to Lieutenant. He was among the first to enlist and when men over 28 years of age were released, he came back home, but was called to service again when war was declared. He was born in Spur and was about 40 years of age. Hub Hyatt and B. L. Jones, Jr., of Anson, were soldier-pals all the way through their training, in all the camps from California, Camp Maxey, Texas, and several other states, on into Europe. Reports are that B. L. also was promoted to Lieutenant on the battle-front.

Hyatt was manager of the Hamlin Safeway Store for a while, and later formed a partnership with his brother-in-law, "Boots" Walker, and Hyatt & Walker Red & White Grocery was prominent in Hamlin. After selling his interest to Walker, (who is now serving in the Pacific battle zones) he went to Lubbock and later was with a Red & White Store in Abilene.

While in training in Mississippi, Hyatt was married to his second wife who lives in Fayette, Miss. He is also survived by one son, Vance Garner Hyatt, who lives with his mother in Lubbock.

The many friends of Eugene McInroe, a teacher of the Swedonia school, will be glad to learn that he returned to his home from a hospital in Fort Worth, Monday, after being there for more than three months in a very serious condition from some form of brain trouble. He is looking fine and is in great spirits, and here is hoping that he will soon be fully recovered.

Mrs. Jay Fitzgerald spent last week end in Fort Worth visiting her husband, Sgt. Fitzgerald of Tarrant Army Air Field, and her brother, Arice Jones, and family.

Continue Mail To POW Red Cross Advises

There has been some question about sending mail and parcels to prisoners of war recently moved by the Germans. The War Department has advised that the next-of-kin should continue sending mail to a prisoner at the latest address even though there is every reason to believe that he has been moved from one camp to another. Should there be any change in this policy, the next-of-kin will be advised by the War Department.

According to the latest information, there are five military districts in Germany from which prisoners have been moved. Stalag II B, III B, III C, Stalags Luft III and IV, and Oflag 64 are six of the major camps that have been moved. These camps held approximately 29,000 Americans on January 1. Besides these major camps, there are many other camps

and hospitals containing a smaller number of Americans.

Stalags VIII B and 344 were previously reported moved. Approximately 58 Americans were known to be in these camps in November.

Santa Fe, N. M., originally an Indian pueblo, claims the title as the oldest town in the country.

The smiling face of R. E. Bevels, whose rating is AOM 3/c, was up last week from the Dallas Naval Station for another peep at home folks. His parents are Mr. and Mrs. J. W. Bevels. This sailorman is getting a rest after a long stay in the Pacific.

S&S
Sailorboy Bill Armstrong, SoM 3/c, is still doing a fine job on his ship as sports editor of the ship's newspaper. We get his paper regularly now. Yes, your jokes are good, too, Bill, and it must be fun punching all those memo stencils.

Pvt. James Connor and wife, from Camp Robinson, Ark., are spending a ten-day furlough here with his parents, Mr. and Mrs. Tom Connor. S&S

Do you remember C. O. LaRue, Jr.? He is a sailor ranked as S 1/c (SK). Well, he writes us from the fleet somewhere in the Pacific. He was graduated from Hamlin High School in 1936, and he would like to hear from any of his class. He says, "Well, it surely gets hot here, 130 in the shade and it is hard to find a shade." (It is fine to hear from an old kid like LaRue. Hope his sister at Sylvester will keep on sending him the Herald by first class mail.)

S&S

There are two Haight brothers in service, former Hitson boys. Almost on the same day, we received letters from both of them. Corporal Claude H. is stationed at the Army Air Base in Lincoln, Neb., and the other, James L. is a sailor with the rating of BM 2/c, and for the present is in Berkeley, Calif. Claude says most of his buddies have gone overseas and it seems he is not doing much in his present position. (Claude, don't worry. You are doing a grand job helping care for those poor fellows who have been flown back to this land of decency from the battlefronts, where they left some blood and bones.) The sailorboy got married just before Christmas, after having spent a long time on the Atlantic. Now, he is all set to go after the Japs.

SHRAPNEL IGNITES MATCHES IN HAMLIN SGT'S. POCKET

With the 83RD INFANTRY DIVISION on the WESTERN FRONT.—Shrapnel comes pretty close to soldiers at the front at times but Technical Sergeant Osborne Jones, Hamlin, Texas, believes his encounter has no match.

In an attack on an enemy position the 329th infantryman was caught in some searing mortar fire. After one burst struck particularly close, he felt a hot pain on his thigh. Investigation disclosed a piece of flying metal had hit a box of matches in his pocket, which had ignited. (Censored ETO, U. S. Army.)

Sgt. Jack Bond writes his mother, Mrs. G. M. Bond, from somewhere in the Marianas. He says he had a nice trip via Hawaii from Seattle, but has not reached any danger spot, yet. Jack said he was trying to write in the dark, and finally dark stopped him.

S&S

The Herald is glad to hear from Pvt. William T. Brown, an old Hamlin boy, who is in France. He finally got a Herald in late Feb. dated Dec. 29. This kid says he has not seen Paris, yet, but since it is about like all other big French cities he does not care much. He closes his letter by saying: "I'd like to see both this war and the one with Japan won soon. But I'd like to see all the Germans and Japs slaughtered, too. But that would mean more of our boys shot up. I can hardly stand to see an American shot up, but it does me good to see these dead Germans lying around."

S&S

With the 12th ARMORED DIVISION of the SEVENTH ARMY IN FRANCE: Pfc. Armando A. Prisco, husband of Mrs. Vara Prisco, Hamlin, has been awarded the Combat Infantryman Badge.

This badge is awarded for satisfactory performance of duty in ground combat against the enemy, and entitles the soldier to \$10 per month additional pay. The badge is worn on the left breast, above the service ribbons.

Private Prisco is a member of the 12th Armored Division, commanded by Major General Roderick R. Allen, and has been overseas three months. His unit is one of the newest on the front of Lieut. General Alexander M. Patch's American Seventh Army. (Passed by Field Press Censor.)

S&S

William Millhorn, S 1/c, gives us an account of his trip across the Pacific and down to Saipan, stopping at various islands. He says: "Saipan, well, it is all true, plus. That is where I had the privilege of seeing plenty of dead Japs, on water and land. I witnessed many things I can not tell about. I lost several hours sleep, but the Japs paid for that. It is real fun to see Jap bombers burst in flames and fall into the sea. After leaving Saipan, we finally had a new experience with a Jap sub and they lost again and went to their half of the sea (the bottom). It is a secret where I am now, but the Japs are getting plenty of trouble. The people at home haven't a thing to worry about, so go ahead and hoard everything they can—the boys on the front line don't need it. They only have to be up from one to three days and nights at a time, but they will win, and you can bet on that. Mr. Pope, do this for the Servicemen: when you see any man lying around and not working, get him told, will you? If he doesn't want to work, let him come out here and fight. When the bombs and bullets begin flying around his head, he will work and work hard!" (So that's the way another man from Hamlin feels—about folks who take it easy at home.)

S&S

It looks as if S/Sgt. T. P. Johnson expects to be "down in the Pacific" another year, as he has ordered the Herald again. He has been overseas 30 months. He is a brother of Mrs. M. Henderson, formerly of this community.

Mr. and Mrs. O. R. Criswell have a very interesting "form letter" from their son, Dean, who is rated S 2/c, and is on the great ship Nevada. The boys worked so hard and so long at the battle stations till "even the K Rations tasted good, when we found time to grab a bite." BEES NEED BUMBERSHOOTS ?

YES ☐ NO ☐

They say that "bees never get caught in the rain." Maybe you claim you've seen different. But the changed natural light as a storm approaches is supposed to make bees get busy and fly home. They may be weather-wise or not. But you've simply got to be!—for Spring weather demands an oil change in the car you cannot replace, and Conoco Nth motor oil will give your engine OIL-PLATING for extreme resistance to wear—

That's really how to hold down carbon, gum and sludge.

That's really how to keep up engine power.

That's really how to get good mileage from your oil and your gasoline.

The special life-giving quality of OIL-PLATING comes from patented Conoco Nth oil's additional ingredient—a climax of notable research. This effort developed the magnet:

MAY THE BEST WOMAN WIN!

There's the bell... hold your hat... hang on to your purse...

Bargain sales look as exciting as ever these days, but this ancient sport isn't what it used to be. So much merchandise is up in price or down in quality.

However, there's at least one real bargain that still provides high prewar quality at low prewar prices. That's the electric service you enjoy in your home.

Actually you're getting about twice as much electricity for your money today as you did 15 years ago. If your total electric bill is no less today, it's because you have more electric conveniences now and use them more. But the cost per kilowatt-hour average is much less.

The credit for this wartime bargain belongs to your friends and neighbors in this company. Their hard work, plus sound business management, made it possible. You can count on them to continue to furnish cheap, dependable electricity for still finer electric living after the war.

Verlie Birdwell Stephens' Art Show Opens With Tea at Abilene USO Club Monday

Scenes picturing the territory in and near Abilene and Ruidoso, N. M., are featured in the 33 oil paintings shown by Mrs. Verlie Birdwell Stephens in a solo exhibit hanging at Second Street USO Club in Abilene. The exhibition was opened Monday with a tea for which Creative Art Club of Abilene was host.

The artist—wife of O. B. Stephens, Abilene oilman, and a daughter of Mrs. W. H. Birdwell, formerly of Hamlin—has been painting for ten years largely as a hobby, but this is the first exhibition of her work. She has studied with Olen Travis of Dallas and Nell Moseley of Fort Worth and has sold a number of her paintings.

Striking in the showing, which includes very few still studies, is the fine technique with which the artist has handled the predominating browns and greens in the pictures.

Her exhibit included the Ruidoso Mill, Aspens by the River, The Day's Catch, Good-bye, Dogwood, After the Rains, Village in the Pines, Cedar Creek, Mount Baldy, Geraniums, Life on the Farm, A Day at the Lake, One Frosty Morning, Iris, Old Fort Phantom Powder House, Cactus and Mesquite, Rolling Hills, After Sundown, A View of Onyx Refin-

ery, Autumn at Kendall Ranch, Autumn in the Mountains, Zennias by the Window, The Windmill, Backyard at Buffalo Gap, Shocks of Feed, Angel Trumpet, Abilene Skyline, Tres Arboles, and Supper Time. Typical of her exhibit was one oil, Patiently Waiting, which is a New Mexico scene showing a burro and a wagon with a Mexican child holding the reins. In the background are rough adobe houses.

Another picture, From My Window, was a snow scene which was realistically painted in tones of white and lavender, with several brown posts bare in the white denseness.

Seven Sisters was a simple scene showing seven slender trees on the horizon.

The exhibit is expected to be shown for about two weeks.

Guests from Hamlin attending were the artist's sister, Mrs. W. L. Fletcher, Jr., Mrs. Paul A. Fowler, Mrs. Landon Davis, Mrs. Mardell Lynch, Mrs. Ernest Davis, and Mrs. H. O. Cassle.

Miss Charlotte Lewis, a student in John Sealy College of Nursing, Galveston, is spending a month's vacation with her parents, Mr. and Mrs. John O. Lewis.

Recent Bride Is Honored With Shower

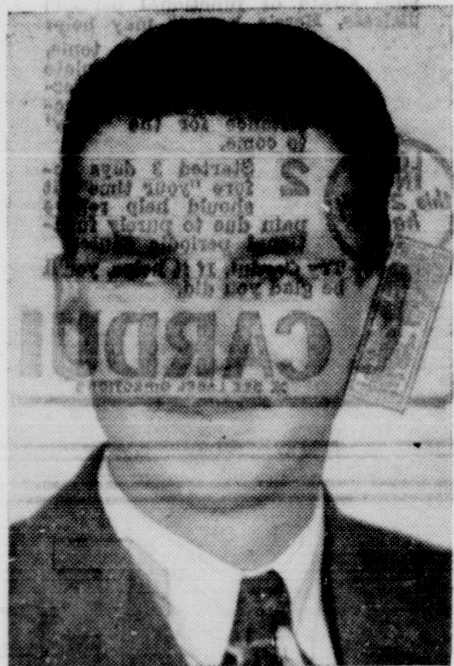

Mrs. R. L. Criswell, a recent bride, was honored with a miscellaneous shower, Friday afternoon, March 9, in the home of Mrs. O. R. Criswell, with Mrs. G. M. Bond and Mrs. J. R. Doby hostesses.

Games were played and gifts were presented to Mrs. Criswell, after which a lovely refreshment plate was served.

Those present were Meses. Ervie Dominey, Sim Martin, J. W. Riddle, Bernie Smith, H. M. Rawlins, H. C. Carr, Geo. Campbell, E. L. Cox, E. Houghton, Lloyd Warnell, Glenn Bond, Geneva Houghton, Eddie B. Hopper, E. Ewing, Bill Dominey, Celia Merriworth, Norma Crowley, J. C. Patton, Jerry Stone, J. L. McWright, Neil Sherman, and Miss Margaret Whiteley.

Gifts were sent by Meses. Chas. Polk, Tom Campbell, E. F. Faurey, S. T. Graham, L. H. Clark, Mary Whiteley, D. Fuller, J. T. Smith, A. B. Sills, S. C. Dunn, Inez Mixon, H. H. Ray, Floyd Wallace, A. G. Anderson, L. E. Hines, W. B. Elkins, John O. Lewis, H. M. Marchman, and Miss Minnie Stewart.

Discharged Serviceman Finds Red Cross Still 'At His Side' On Return

The discharged serviceman returning to Jones County is finding that the Red Cross is still "at his side."

A full program of services for veterans and their families is available through the Jones County Chapter Red Cross to help returning servicemen make a satisfactory and prompt adjustment to civilian life.

Advice and assistance in preparing and filing claims for government benefits, information regarding legislation applying to veterans and their families, and, in some instances, financial aid during the period claims are pending are important parts of the local Red Cross "serviceman's reconversion program."

Upon discharge from the service, veterans are told of their rights and privileges and referred to their local Red Cross chapters for further information and aid.

'Think on these things'

LOST IN SIN

The suggestion that men are sinners, in need of God's mercy, is not at all flattering to any one, least of all to the "modern" man. He prefers to think that sin is a "disturbance of man's nature." For him, man, "the master of his fate" and the "captain of his soul," is not to be regarded as sinful, lost, or condemned.

But the combined testimony of divine revelation and human experience declares that men are sinners, and, without God's mercy and saving power, are lost in their folly. Even though a contemporary, unscientific, anti-Christian religion denies the reality of sin and its consequences, yet the Bible affirms the fact of sin, declares its origin and nature, portrays its degrading effects, promises deliverance from its power and guilt for all who will have such, and warns against its ultimate destruction and punishment. Said David: "The children of men...are all gone aside;...there is none that doeth good, no, not one." (Ps. 14:2-3) In the same spirit, Solomon wrote: "There is not a just man upon earth, that doeth good, and sinneth not." (Eccles. 7:20) Isaiah portrayed Israel's condition: "All we like sheep have gone astray." (Isa. 53:6) Jeremiah further exposed man's iniquity by saying: "The heart is deceitful above all things, and it is exceedingly corrupt." (Jer. 17:9) In the New Testament, Paul affirms the universality of sin, "For all have sinned, and fall short of the glory of God" (Rom. 3:23); while the apostle John warns even Christians against a "perfectionist," self-righteous attitude, "If we say that we have no sin, we deceive ourselves, and the truth is not in us...If we say that we have not sinned, we make him a liar, and his word is not in us" (1 John 1:8-10).

Human experience affirms human guilt. There is disobedience in the family, in the school, in the nation. Juvenile delinquency is mounting alarmingly, the divorce rate is appalling, penal institutions are filled to overflowing. Just pick up the evening paper and what do you read? The account of "murderous gunfire," "hell on wheels," tank attacks, etc., etc., of people being slain by the millions! Here is the account of graft in governmental affairs, and here is the story of the embezzlement of certain bank funds, and there is the news that a woman was beaten and robbed of her money—all but different expressions of the same lust after mammon. Then we read of a suicide, of several arrests for drunkenness, and of the latest divorces—of course! To "cap it off," we need only to get an idea of the staggering sum of money spent by this nation for tobacco, liquor, obscene literature and salacious movies, etc., etc. Add to this the ravages of diseases directly traceable to sin and the frightful conditions in other lands where half starved women and children, poorly attired, live in a land where poverty abounds and you begin to see what we mean by sin. God is not responsible for it; he is not pleased with it.

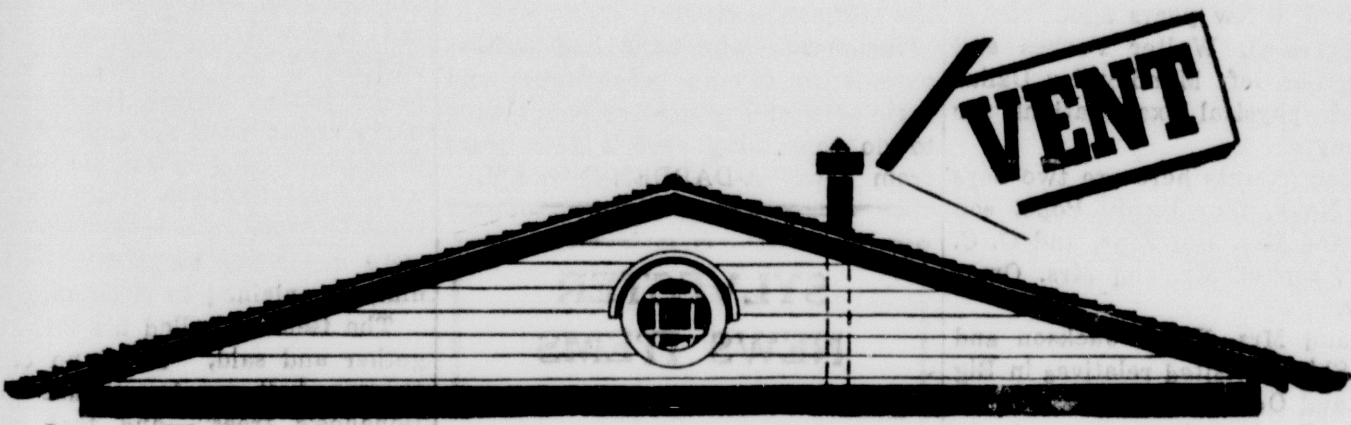

Mild ideas of sin have caused thousands of people to see nothing in the cross of Christ, and a fearful decline in public and private morals may be laid at the door of this perilous attitude. The wisdom of Solomon needs to be proclaimed at this point. He said: "Fools make a mock of sin." Indeed, only a foolish person can esteem iniquity lightly, can look upon immorality and disobedience to God as being matters of little or no consequence. "Sin is lawlessness," wrote John. It is "transgression" of God's will for man. It is doing what God positively forbids. It is "going beyond" his teaching. But sin is more than that; it is also omission of duty; "To him therefore that knoweth to do good, and doeth it not, to him it is sin." (James 4:17) A brief glance at the use of the original words (Hebrew and Greek) is revealing: Sin is "chattah," a swerving from the direct rule of God; "pesha," a breach of the covenanted rule of God; "hamartia," a deviation from the straight rule of God and "paraptoma," a trespass against the declared rule of God.

But unrighteousness is not chiefly a matter of conduct; it lies back of all conduct. As a man thinketh in his heart, "so is he!" Consequently, the quality of any deed is dependent upon the quality of the thought back of it. For this reason let no person make the mistake of thinking that sin is something external, which a man can lay aside like a suit of clothes. One's will, in sinning, is antagonistic to the will of God. To be sure, God loves us even when we sin, but it cannot be said too emphatically that there is a wrath of God against us as sinning. And although God longs to forgive, he cannot do so until man's will is turned from its sinful direction into conformity to the will of God. (Next Week the Wages of Sin.) Remember we are anxious to have you attend our services.

ESSENTIAL TO HEALTHFUL, COMFORTABLE WINTER LIVING FLUES FOR VENTING MODERN GAS HEATING

Only when heating is vented are stuffy air and wall sweating eliminated. Since flues are required, heating should be planned as part of house and flues installed when remodeling or building.

Types of modern gas heating appliances which are vented to a flue and are recommended by your gas company.

Not all types of vented gas heating equipment are available because of wartime restrictions. But if you are using the old-fashioned open-flame unvented type heating throughout your home be sure you provide plenty of ventilation. It will help some to reduce wall sweating and eliminate stuffy air.

POT-SHOTS FROM MCCAULLEY

BY GEO DARDEN

Miss Ora Francis Steele, daughter of Mr. and Mrs. Virgil Steele, will leave Tuesday of this week for Washington, D. C., where she has accepted a Civil Service job. She has been attending Draughon's Business College in Abilene for the past nine months and has made good. Our very best wishes to the young lady.

Captain Cecil Ottinger arrived in the States on January 9, after more than a year as Chaplain in the Army in New Guinea. Capt. Ottinger is now in Buns General Hospital, Santa Fe, New Mexico. He has been in a hospital for the past several months suffering from a spinal ailment. He was pastor of the McCaulley Methodist Church a few years ago.

J. W. Rush, Walter Forbes and Linis Allison left Monday for Dallas for their physical examinations for the Army.

Visiting parents here are two boys of the Navy, Dan Hardy Pope, son of Mr. and Mrs. Jim Pope, and O. C. Prather, son of Mr. and Mrs. Omar Prather.

Mr. and Mrs. Frank Jackson and Buddy Shields visited relatives in Big Spring and Odessa last week end.

Mary Ann McCollum was at home over the week end from McMurry College to visit parents, Mr. and Mrs. Levi McCollum.

A big rain fell Sunday night in this vicinity. Small grain is as fine as can be.

Frank Martin, from San Diego, Calif., visited parents in McCaulley last week end. Frank tells us that the Herald is really a lift and he surely enjoys the home town news. Frank is employed at Consolidated Aircraft as a guard.

Most of the communities in Fisher County have gone over the top in the Red Cross drive. McCaulley never fails. "Still bragging"—or is it just plain boasting? Mostly, we think it is due to patriotic citizens.

Cotton ginning is over in McCaulley for the season. We ginned our last day last Saturday, March 10.

Miss Virginia Gildersleeve, of Barnard College, is the only woman delegate to the San Francisco Conference in April. Miss Gildersleeve may be a smart woman as far as books go, but there are a lot of people who know books and are as ignorant as a new-born babe on many subjects. Now, as far as this peace conference in San Francisco is concerned, there should sit at this peace table some of the boys who have witnessed a "hell on earth" on the battlefronts. How can college men and women who have never experienced any of the hardships of life, much less the horrors of the front line trenches and foxholes, know how to deal justly with a gang of murderous cutthroats? The boys who have fought them know what to do with them and when they get through with them, the "breed" will be no more.

Miss Gildersleeve is in favor of banishment of Hitler to a remote island for the rest of his natural life, and a hard peace for Germany. Now the hard peace for Germany is what all true Americans believe in, but as

for a mere move of Hitler to some little island, Miss Gildersleeve talks like a "dope." A man who lives by the sword, should die by the sword. If Hitler deserves to live, then why not open the gates of all penitentiaries including Alcatraz and turn all men accused of crime out to prey again upon society?

The press of the world should go into action now and demand the death penalty for war-mongers, including the German General Staff, the so-called son of heaven and all his henchmen. Yes, the press of the allied nations can in a large extent help avenge the fatal "Bataan March of Death" and crimes committed by the German army.

Send men who have had combat experience to the peace table and their sons and grandsons won't have to do this thing over a few years from now.—A-DARDEN-O-GRAM.

I GIVE YOU TEXAS

(By BOYCE HOUSE)

History, the way most historians tell it, is a story of glory—but it is not all plumed knights and heroism and sacrifice; there is sometimes a sorry and sordid side, too.

Take for example the battle of San Jacinto. When Houston and his little army were falling back before the hosts of Santa Anna (prior to the battle, of course), the Texans camped on the premises of a well-to-do settler named Donahoe. The men needed wood for camp fires and they began to chop down some trees, whereupon Donahoe (with no gratitude for the service that these men were rendering to Texas, including him) complained to Houston.

The General called his soldiers together and said, "Under no circumstances shall you lay an axe to Mr. Donahoe's trees"—and that gentleman's breast swelled with joy. Houston continued, "Don't you see that Mr. Donahoe's rail fence will provide the fuel needed?"

So these men who, in a few days were to offer their blood and their lives for the freedom of Texas and, incidentally to make secure the land title of Mr. Donahoe, proceeded to use the fence rails for fuel.

We have a few individuals of the

type and stripe of Donahoe in Texas today—who want the war fought without inconvenience to themselves.

The town would back up every statement with an offer to bet. When he predicted the election of a certain candidate, another citizen expressed disagreement, whereupon the first man said, "I'll bet you a hundred dollars." The other replied, "I'll call you on one condition—that is, if I win, you are to pay the \$100 as, and when, I want it." This was agreed to—and Sir Oracle's candidate lost. But when the loser offered to pay off, the other said, "No—I don't want the money now."

Next day, the know-it-all was holding forth in the post office to a group waiting for the mail to be put up when the winner walked in and interrupted, "Bill, I want a dollar." The sum was paid and the bystanders, knowing of the terms of the wager, laughed. A day or so later, Bill was again giving his views to a

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

cluster when the winner broke in, "I want another dollar." This was paid over.

But when the third such occurrence took place, the loser said, "Here's all the rest of that money, you blankety-blank; I'm not going to have you come up to me 97 more times this way."

TIGHTENED HOME CANNING SUGAR PROGRAM ANNOUNCED

A tightened home canning sugar program for the 1945 season—a program designed to insure a fair distribution of the available sugar to those who actually need it for canning—has been announced by Administrator Chester Bowles, OPA. Highlights of the new program are as follows: The housewife will apply at her local War Price and Rationing Board and indicate the amount of canning she intends to do this year. Local Boards will issue five-pound home canning sugar coupons. No ration stamps in war ration book four will be good for canning sugar this year. For canning fruits and fruit juices, the allowance will be on the basis of one pound for each four quarts to be canned. The total allowance must not exceed 20 pounds per person, or 160 pounds to a single family, even

though the family may contain more than eight persons.
